

Replacement Filter Elements

As Melbourne's Compressed Air Specialists we stock replacement elements for all major brands of filter housings.

We offer generous trade discounts to resellers and same day order despatch.

Our replacement elements are manufactured to the highest standards, using quality materials that offer you a cost effective alternative to an OEM product.

Do you have a filter element that needs replacing but you're not sure what it is?

Then make DS Filtration your first point of call with over 30 years industry experience we can help...send us a couple of photos and its dimensions and we will identify and quote replacement elements.

We stock the following manufacturers...

- ABAC
- Atlas Copco
- Air Filter Engineering
- BOGE
- Ceccato
- Conquest
- compare
- Deltech
- domnick hunter
- Donaldson
- Friulair
- Hankison
- Hiross
- Ingersol Rand
- Kaeser
- Mikropor
- Omega
- OMI
- Parker/Finite
- SCS
- SMC
